

OPEN POSITIONS | Small Satellite 2022 Engineering and Technology Group

Communications Technologies and Engineering Division

Experienced

Communications Hardware Systems Architect/Engineer | El Segundo, Hybrid | R004110
Communications Hardware Systems Architect/Engineer | Houston, Hybrid | R005871

Electronics and Sensors Division

New Graduates

2022 Nuclear Hardness & Survivability Engineer | El Segundo, Onsite | R003259
2022 OPIR Modeling & Simulation Specialist/Engineer | El Segundo, Onsite | R003342
2022 Sensor Modeling and Simulation/Remote Sensing | Chantilly, Onsite | R003466
2022 Remote Sensing Optical Scientist/Engineer | Chantilly, Onsite | R004420
2022 EO Remote Sensor Scientist/Engineer | Chantilly, Onsite | R005044
2022 Radar Processing and Analysis Engineer | Chantilly, Onsite | R005297

Information Systems and Cyber Division

New Graduates

2022 Junior Site Reliability Engineer | El Segundo, Onsite | R004081
2022 Software Tools & Assurance Engineer | El Segundo, Hybrid | R005298
2022 ML Engineer | El Segundo, Hybrid | R005398
2022 FPGA/ASIC Engineer | El Segundo, Hybrid | R00540

Physical Sciences Laboratories

Experienced

Radiation Effects Scientist | El Segundo, Onsite | R004551
Scientist - Non-Destructive Evaluation (NDE) and X-ray Tomography | El Segundo, Onsite | R004940
RF Photonics Engineer | El Segundo, Onsite | R005226
Senior Remote Sensing Scientist | El Segundo, Onsite | R005758
Director, Photonics Technology Department | El Segundo, Onsite | R005839
Technical Specialist- Microelectronics II or III | El Segundo, Onsite | R005883
RF Test and Radiation Effects Scientist | El Segundo, Onsite | R005884
Electrical Engineer- Hardware Security | El Segundo, Hybrid | R005284
Technical Specialist III - Focused Ion Beam | El Segundo, Hybrid | R005424
Space Scientist - Sensor Developer | El Segundo, Hybrid | R005914
Non-Destructive Evaluation (NDE) and X-ray Tomography Scientist | El Segundo, Hybrid | R005948
Radiation Effects Scientist | El Segundo, Hybrid | R005981

New Graduates

2022 Radiation Effects Engineer | El Segundo, Onsite | R003752
2022 Battery Test Engineer | El Segundo, Onsite | R004028
2022 Radio Frequency Semiconductor Device Engineer | El Segundo, Onsite | R004188
2022 Optical Coatings Materials Scientist | El Segundo, Onsite | R004947
2022 Tribologist | El Segundo, Onsite | R005126
2022 Ionospheric Scientist | El Segundo, Hybrid | R005795

Systems Engineering Division

Experienced

Spaceflight Operations & Space Situational Awareness Specialist | Chantilly, Onsite | R005052

Advanced Mission Planning and Astrodynamics Specialist | Chantilly, Hybrid | R005063
Junior Space Vehicle Design Engineer | Chantilly, Hybrid | R005065
Space Vehicle Design Engineer | Chantilly, Hybrid | R005066
Spaceflight Operations and Space Situational Awareness Analyst | Chantilly, Hybrid | R005682
Operations Modeling and Simulation (AFSIM) Analyst | Chantilly, Hybrid | R005708
Operations Modeling and Simulation (AFSIM) Specialist | Chantilly, Hybrid | R005709

New Graduates

2022 DECISION SUPPORT ANALYST | Chantilly, Onsite | R004714

Vehicle Systems Division

Experienced

Electrical Engineer - Assembly, Integration, and Test (AI&T) | El Segundo, Onsite | R003583
Structural Dynamics Engineer | El Segundo, Onsite | R005413
Modeling and Simulation Software Engineer | Chantilly, Hybrid | R003872
Senior Project Leader- Vehicle Engineering | Chantilly, Hybrid | R005153
Autonomy Engineer | El Segundo, Hybrid | R005997

New Graduates

2022 Trajectory Optimization Analyst | El Segundo, Onsite | R004349
2022 Fluid Systems Analyst | El Segundo, Onsite | R005571
2022 Computer Engineer | Chantilly, Hybrid | R004760
2022 Trajectory Optimization Analyst | El Segundo, Hybrid | R005051
2022 Thermal Analyst | El Segundo, Hybrid | R005426
2022 Nuclear Engineer | Huntsville, Hybrid | R005715

xLAB

Experienced

Small Satellite Embedded Software Engineer | El Segundo, Hybrid | R003914

Program Office Positions

Civil Systems Group

New Graduates

2022 Data Analytics | Crystal City, Hybrid | R004812

Defense Systems Group

Experienced

Space Systems Engineer, Responsive Space Branch | Albuquerque, Onsite | R005513

National Systems Group

Experienced

Sr. Project Engineer - Small Satellite Ground Enterprise | Chantilly, Onsite | R005704

Space Systems Group

Experienced

Data Management and Information System Specialist | El Segundo, Hybrid | R005875
Advanced Mission Technologies Lead | El Segundo, Hybrid | R005967
Ground Programs and Digital Transformation Lead | El Segundo, Hybrid | R005988
Communications and PNT Global Partnership Lead | El Segundo, Onsite | R005325
