

**Directions:** Engineers write the Code in the first column (green), then provide this sheet to the Commander. The Commander takes notes in the middle column (red) as the Satellite executes commands. This sheet is returned to the Engineers to provide the Code Revision in the last column (blue).

Team

Name

## **Commands:**

| <walk, #="" direction="" of="" steps,=""> <raise arm,="" degrees=""></raise></walk,> | <step, direction="" height="" of="" step="" step,=""> <height floor="" from=""></height></step,> | <aim cell="" phone=""></aim> |
|--|--|------------------------------|
|--|--|------------------------------|

| Trial 1  |  |   |  |  |
|--|--|---|--|--|
| Code   | Execution Notes  | Code Revision   |  |  |
| Example: <walk, 3="" forward="" steps,=""></walk,> | Example: Satellite fell short of obstacle and was not in position to maneuver around the chair | Example:<br><walk, 4="" forward="" steps,=""></walk,> |  |  |
|  |  |   |  |  |
